in

**Havana**

**January 4 - 11, 2010**

**One of the top 5 most prestigious  
companies in the world!**

**Taught by professional ballet masters from BNC**

The Canadian Ballet Youth Ensemble is taking their Canadian Cast members to Cuba to perform with The National Ballet of Cuba in their version of The Nutcracker. As part of this exciting trip we would like to offer dance studios the opportunity to be part of this educational experience. Group or individual travel arrangements can be made.

Fly with us via Cubana airlines and stay at the 5 star hotel Melia Cohiba. Students will receive **a week long** exhilarating work shop taught by professional ballet masters from BNC. Classes are a combination of theoretical-practical engagement with the Cuban style of ballet.
